

Caregiving is a big commitment, but you don't have to do it alone.

Dear <Caregiver First + Last Name>,

Caring for a loved one is selfless and can be incredibly rewarding. We know that at times it can also be challenging. **We are here to help.**

Ceresti Health is excited to work with Blue Cross[®] and Blue Shield[®] of Minnesota and Blue Plus[®] to offer you the **Ceresti Caregiver Support Program**. This program is designed to support spouses, adult children and other family members who support the health and well-being of SecureBlueSM (HMO SNP) members, regardless of whether or not you live together.

If you enroll in this program:

- Ceresti will send you an iPad-like tablet to access health education and resources that are tailored to your needs.
- You will receive support from a Ceresti coach who will guide you every step of the way.

All of this is offered **at no additional cost to you.**

This program provides you with tools and resources to make your life easier and personalized education to increase your knowledge, skills and confidence in caring for your loved one.

Sincerely, Ceresti
