

"Holy Toledo  
that was **easy!**"

"These things work  
great! **They have  
changed my life!** I take  
my medication on time  
now! *It's wonderful!*"

"These machines are the best.  
I can **travel everywhere with  
them.** I can put them in suitcases,  
I can put them in overnight bags,  
I can even put them in my makeup  
bags. I love their machines!"

Talk with your  
Case Manager or  
Care Coordinator  
to start services

We are covered by most  
Medicaid Waiver  
programs and look  
forward to working with  
you!

Medication and  
Health Reminders

# Dose Flip

## How it works

The Dose Flip is a **smart pillbox** that helps you take the right pills at the right time.

With **24/7 support**, we are here whenever you need us, so using our technology will always be easy.

## EASY TO SET UP

The on-screen guide walks through a simple set up, so **starting services is easy**

## EASY TO USE

Alarms and flashing light remind you to take your pills, simply **flip to dispense**

## EASY TO FILL

When it's time to refill, an **onscreen guide** will walk you through the process

## NOTIFICATIONS

Keep track via **phone, text, or email** with alerts like meds waiting or missed

# Dose Remind

## HELPFUL REMINDERS

Receive a call or text reminding you to do any activity or task

## CUSTOM MESSAGING

Choose any message you want and how often you are reminded

## EASY TO USE

Respond after completing the activity or task by pressing 1 for a call or texting back yes
