Benefit Details

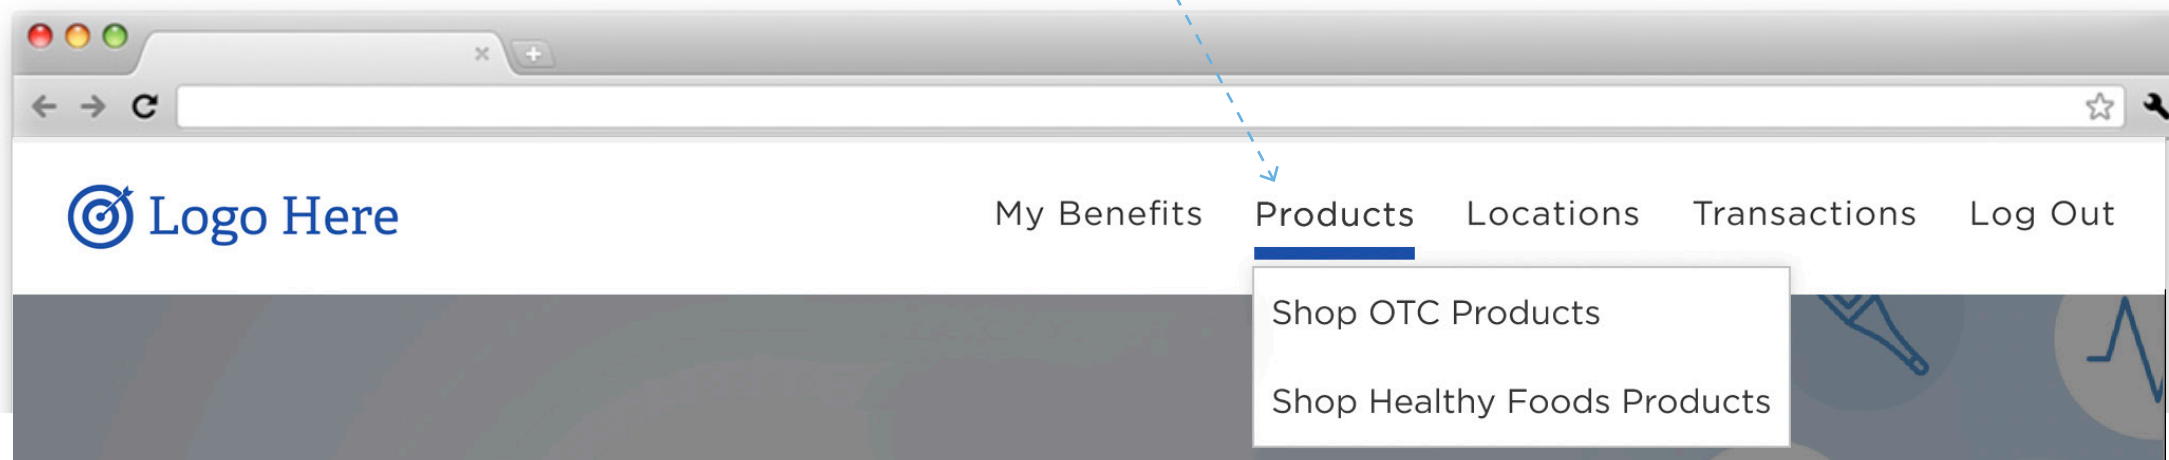

View Benefit Details

1. Login to My Benefits Center.
2. Member can access details about each specific benefit by selecting the “My Benefits” tab from the header.
3. In the drop-down menu, select a benefit to view.

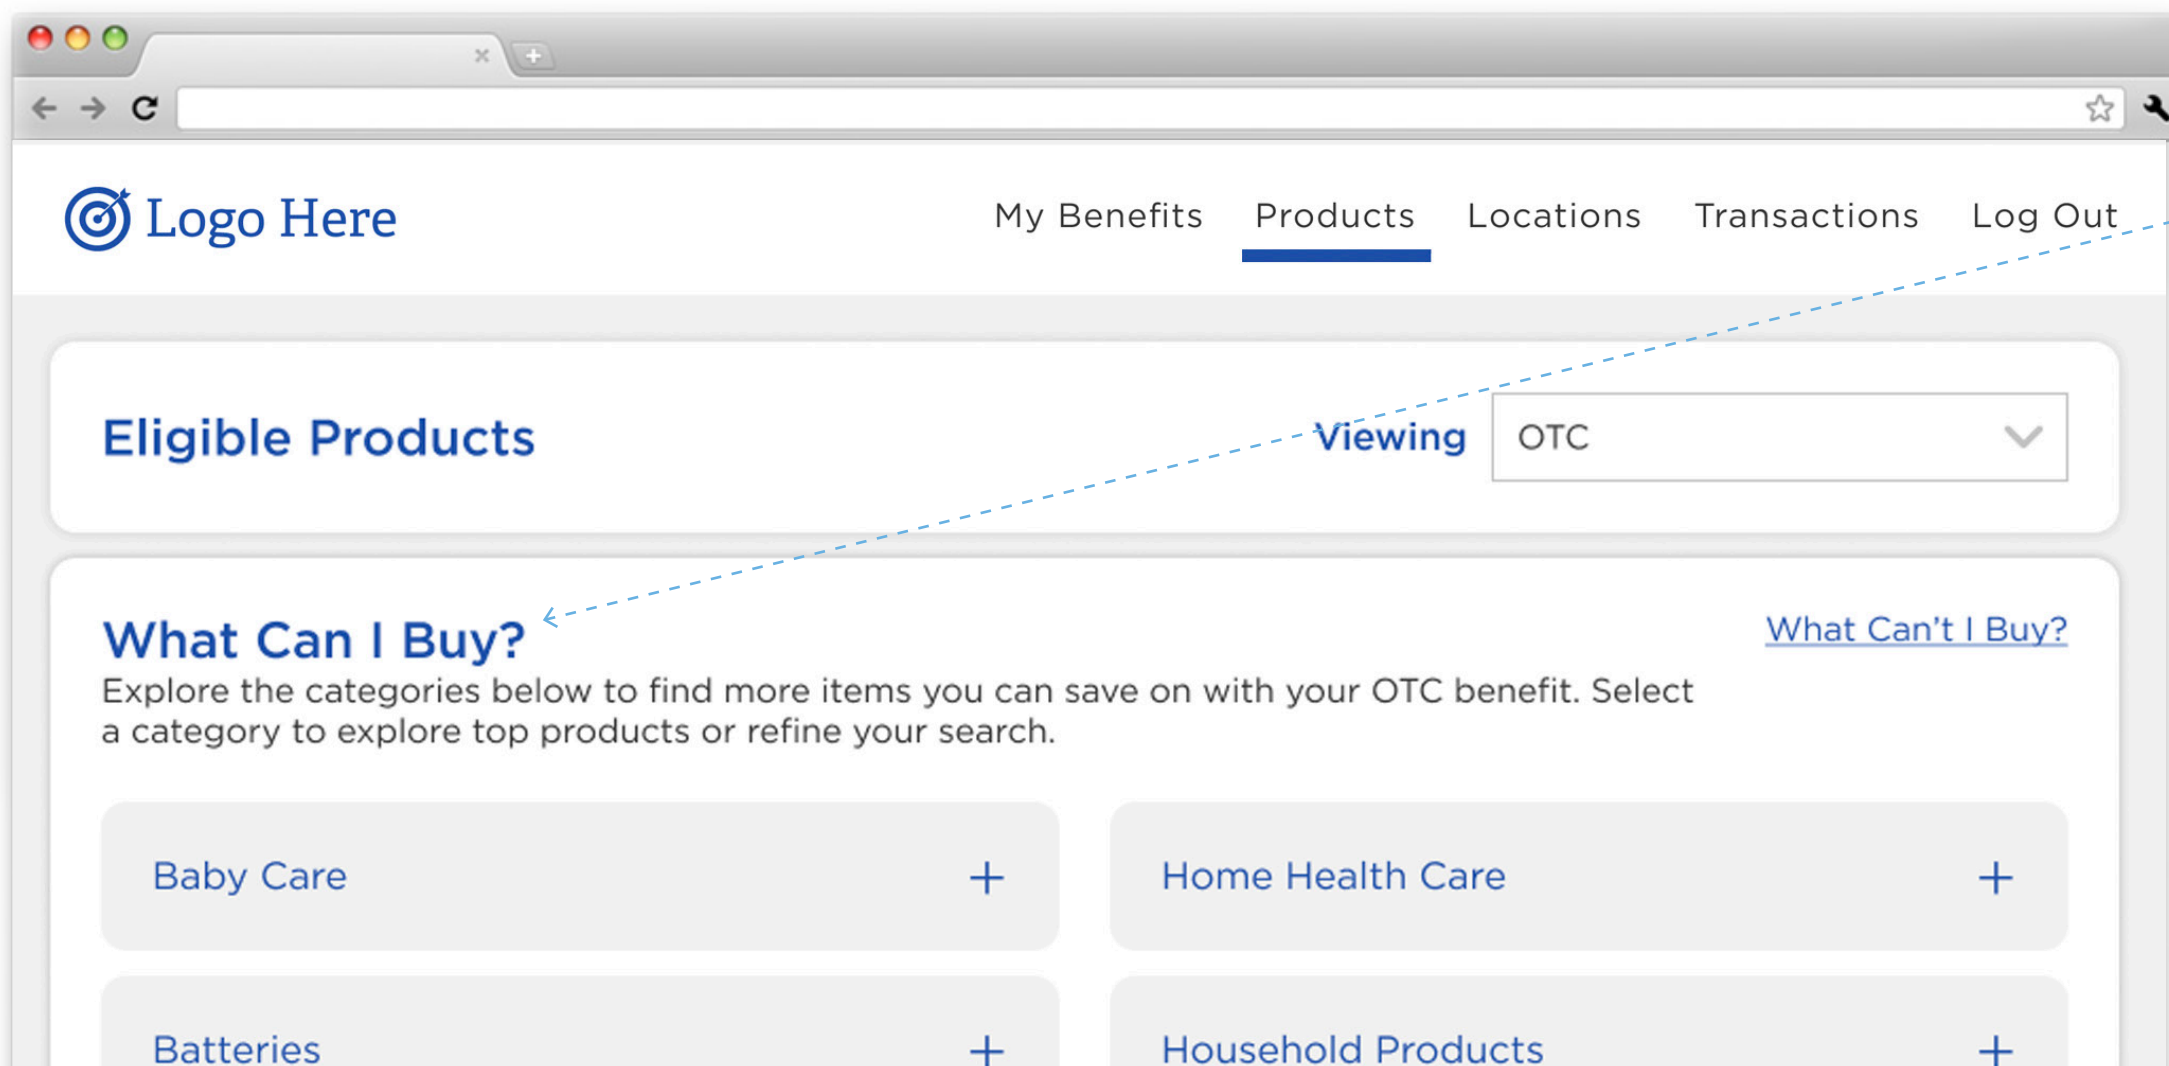

When a member views a specific benefit’s detail page, they can see that benefit’s balance, active dates, benefit type, and any additional information provided by the health plan. There are also links that guide the member to identify eligible products that the benefit supports, ways to shop, and their transaction history.

“Ways to Shop” will provide links to participating online retailers or other physical retailer locations if applicable. The number of links and the specific retailers linked may vary between benefits.

Additionally, members can toggle between each of their benefits (if they have more than one).

To toggle between the member's benefits, select the alternative benefit (if any) in the "Viewing" dropdown menu.

Products

Members can search for eligible products by logging into their account online or on their mobile device.

Eligible items can only be searched for in closed loop benefits. There will not be product search options for open loop wallets.

Product Search:

1. Login to My Benefits Center.
2. Select the "Products" tab and choose a benefit to search for products.
3. View categories and subcategories to see the types of products covered by your benefit.
4. Choose a subcategory, to filter by retailer and "keyword" to search for more specific eligible products.

Locations

Members can search for online and in-store retailer locations that accept their benefits card. Retailer locations can only be searched for when the benefit is closed loop. No open loop benefit retailers can be searched for in My Benefits Center.

Search for In-Store Retailer Locations:

1. Login to My Benefits Center.
2. Select the "Locations" tab and choose the benefit to search for retailer locations.
3. Select "In Store" as the location type. (Location type will default to "Online" upon entering the page.)
4. Enter location search criteria.
5. Select "Apply" to see search results.

Shop Online

1. Select “online” as the locations type.
2. Retailers listed in the results to the right will link to their website to continue shopping online.
3. If an online retailer has Single Sign On (SSO) capabilities, the member will be automatically signed onto the retailer’s website (without having to manually login).
 - i. This allows members to login without the need to create an account for the retailer. Please note that only certain retailers have Single Sign On capabilities.
4. Complete any transactions the member desires.
5. To return to My Benefits Center, if logged in via SSO, select “Back to My Benefits Center”.

Scan to Pay

In the mobile app only, members can use a digital version of their card to scan to complete a transaction at a physical retailer's location. This is equivalent to swiping a physical card and their balances will be adjusted in the same way.

Scan to Pay is **not accepted** at the following retailers as a form of payment: HEB, Discount Drugs, and independent pharmacies.

1. Log into the My Benefits Center App on a mobile device.
2. Select the scan icon at the top of the screen.
3. Select "Scan to Pay".
4. Scan barcode at the cash register when completing a transaction at the retailer location.
5. If required, provide additional tender to complete the member's purchase.

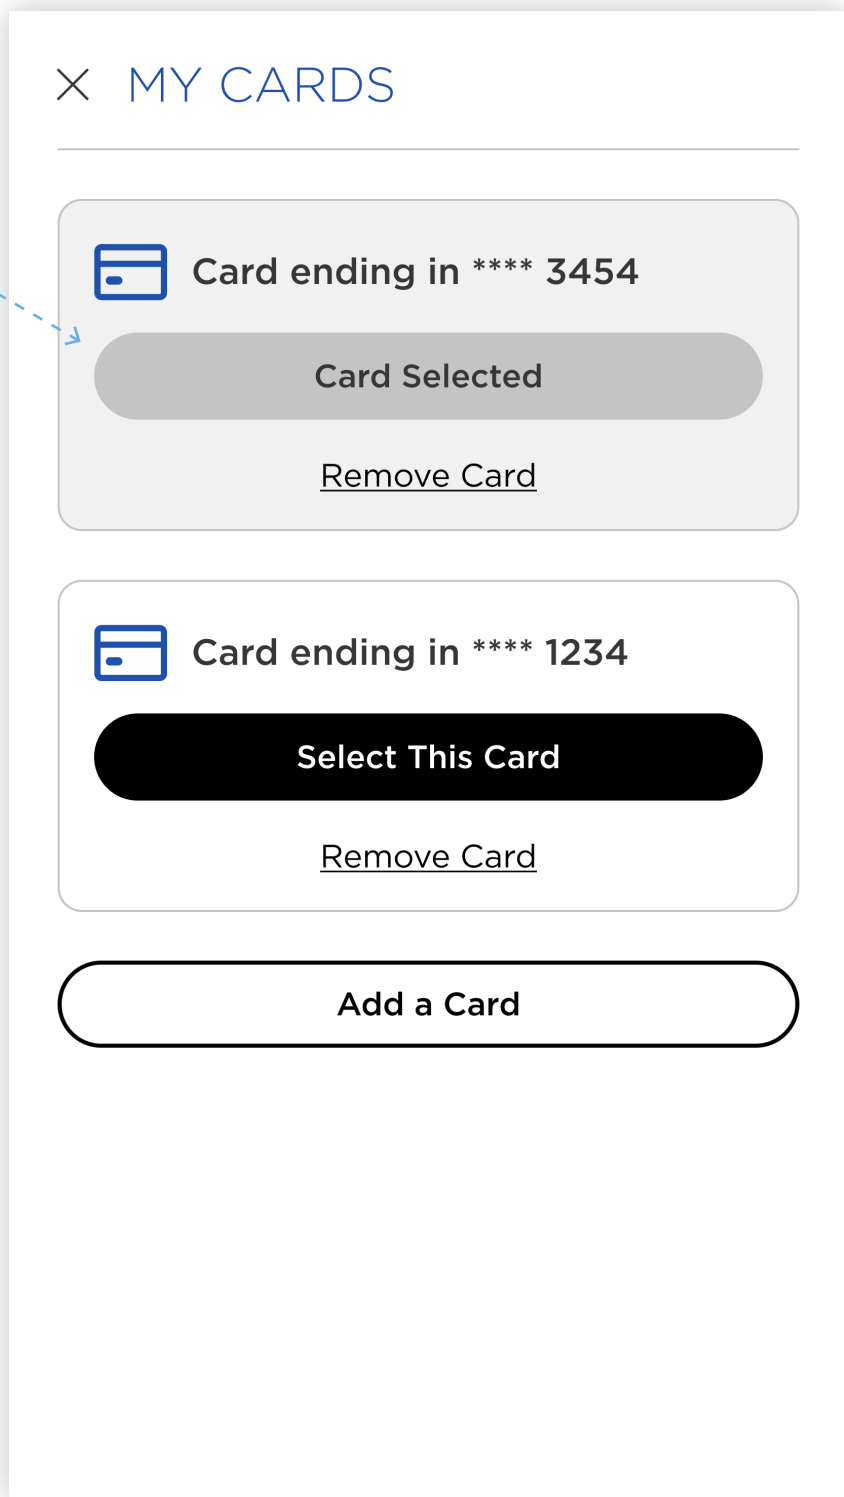

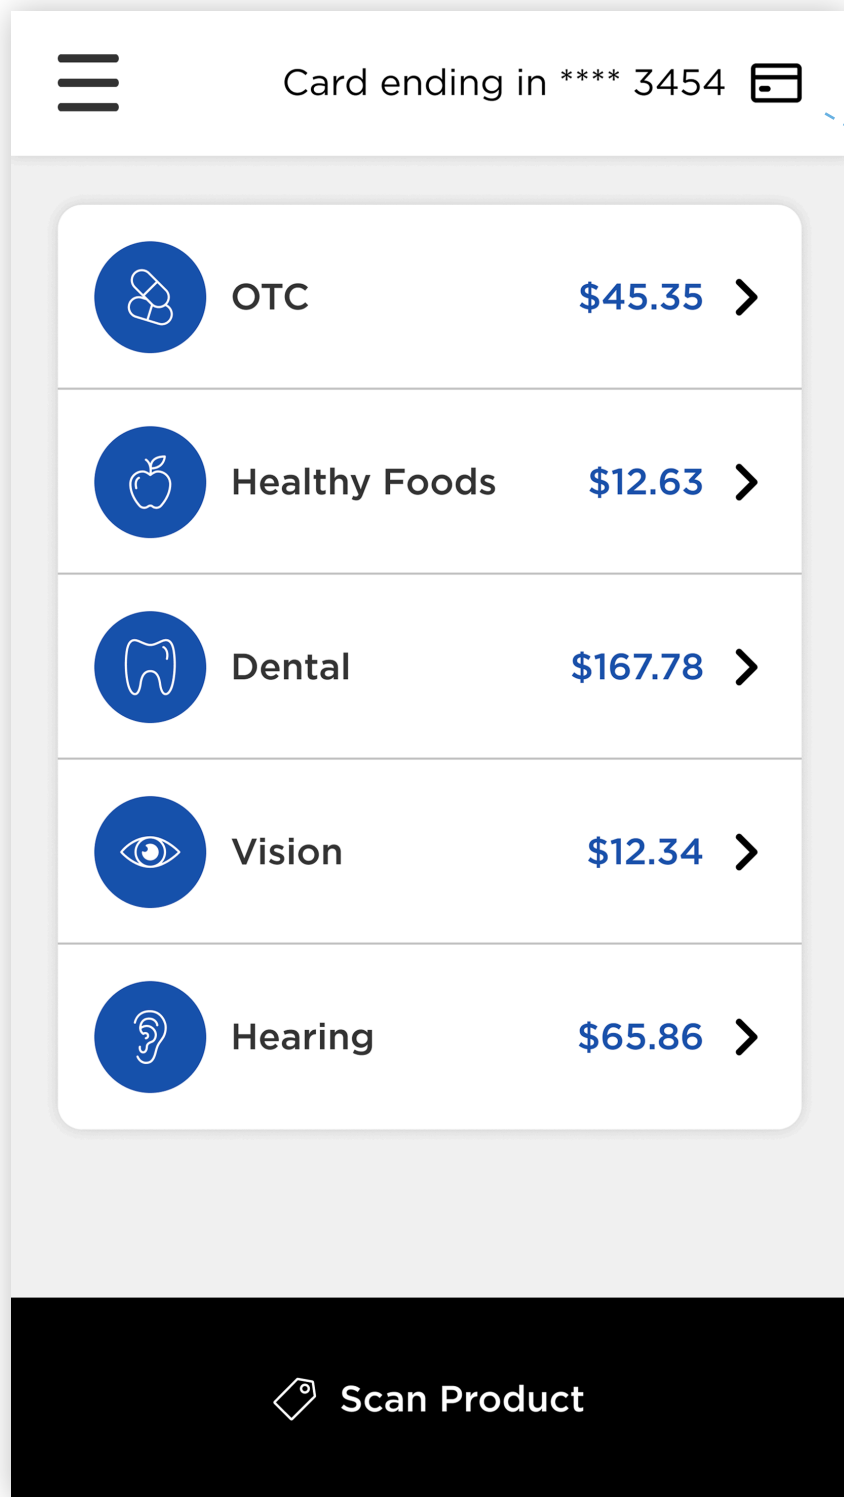

Please note that the Scan to Pay feature may not be visible to members who:

- Only have open loop benefits.
- Do not have active benefits on their account.
- Do not have an active card on their account.

Manage Visa Card

My Benefits Center is here to help members track, manage, and maximize their health plan benefits.

If a member's card has a Visa logo on it, they have a wide range of options, just like using any other Visa card. Whether the specific plan's Visa benefit is for dental, vision, hearing, or something else, they can simply swipe their card at their chosen provider. Members' cards are accepted at any provider that can process Visa payments.

Manage Multiple Cards

In the mobile app only, members can view multiple cards.

1. Tap the current card number in the top right.
2. Pop up will prompt user to add, delete, or switch to view another card.

Please note that if the member logs out, the card information will be removed from device and will have to be added again to view benefits.
