EW OR CW MEMBERS WHO NEVER HAD PCA AND ARE NEW TO CFSS AND/OR BCBS:

Care Coordinator will:

- Enter the member's current assessment into Bridgeview and then follow the steps below:
 - Consultation Services for a full year
 - CFSS Budget Training and Development
 - Additional CFSS Goods & Services and PERS (if applicable)
 - Note: Authorizations after Consultation Services would not start until the CFSS Support Plan is approved, so if it was approved on 12.24.2024, the authorizations for the services would start 12.24.2024 through the end of the span.

MEMBERS WHO ARE ON ANOTHER WAIVER:

For members on another waiver, the care coordinator will wait to receive the DHS 5841 from the waiver case manager before entering the authorizations in Bridgeview. Waiver case managers authorize CFSS and will send the DHS 5841 to be entered into Bridgeview.
