

2026 Dose Medication Dispenser and QMedic PERS MSHO Eligibility

MSHO members who are on a Home and Community Based Services (HCBS) waiver are not eligible to receive the Dose medication dispenser or QMedic PERS **under the MSHO benefit**.

Referrals for the Dose Medication Dispenser or QMedic PERS to be paid under MSHO must not include members who are on a waiver.

2026 MSHO Medication Dispenser and PERS benefit information:

- 1) Dose Flip Medication Dispenser: eligible members can receive a Dose Flip medication dispenser with reminders to take medications
- 2) QMedic PERS: eligible members can receive an in-home or mobile PERS device to call for help in an emergency

2026 Eligibility Requirements for MSHO Medication Dispenser and PERS:

- must be an active SecureBlue MSHO member **and**
 - living in community (not in a nursing home) **and**
 - not on an HCBS waiver
-

Referrals to Dose or QMedic under MSHO

1. Confirm active MSHO enrollment
2. Is member on an HCBS waiver?
 - If member is **not** on an HCBS waiver, submit referral to Dose/QMedic for services to be billed under MSHO budget.
 - If member later goes onto a waiver, the medication dispenser/PERS must be moved to the member's waiver at that time.
 - If member **is** on a waiver, member is not eligible to receive Dose/QMedic services under MSHO. Member's waiver must be used for these services. Submit referral to Dose/QMedic (or waiver provider chosen by member) for services to be billed under member's waiver. Enter a service agreement in Bridgeview (EW) or work with the member's case manager to enter a service agreement (BI, CADI, CAC, DD).
3. Update member's Support Plan with appropriate service and funding source
